The Office has widely been recognized for its excellence, including through awards and recognition from the American Bar Association, the Daily Journal, the California Lawyer Magazine, the County Counsels' Association of California, and other leading legal institutions.

The Office's work covers a wide array of litigation and policy matters that significantly affect the health, safety, and well-being of the County's 1.9 million residents. The Office supports the County's efforts to protect public health and the environment, provide healthcare services, address homelessness, maintain roads and parks, ensure access to a fair criminal justice system, and protect vulnerable populations. The Office handles nearly all of the County's civil litigation, including employment, personal injury, child welfare, breach of contract, civil rights, taxation, environmental law, and social justice and impact litigation. The Office also provides all of the day-to-day legal services expected from any in-house legal team, including advice and counsel regarding emerging areas of law and transactional matters.

Civil and Code Enforcement Team

The Civil and Code Enforcement Team partners with other County departments to protect the health, safety, and wellbeing of County residents by enforcing the County Ordinance Code, and state law where a County department serves as the local enforcement agency for the State of California. Attorneys advise County departments regarding potential enforcement actions,

We are seeking an attorney who has expertise in advising on employee benefits for a public employer. The County manages and implements a variety of employee benefit programs, including group health plans, health care flexible spending accounts, and IRC Section 457 deferred compensation.
